AZ CORP COMMISSION  
DOCUMENT CONTROL

Dear Party Interested in Electric Competition:

The Arizona Corporation Commission adopted the Retail Electric Competition Rules (A.A.C. R14-2-1601 et seq.) along with modifications to the Electric Utilities Rules (A.A.C. R14-2-201 et seq.) in September 1999. These Rules provide the framework for the introduction of retail competition to the electric industry in Arizona.

Commission Staff has determined that there is a need to make clarifying revisions to the Rules before the onset of full competition scheduled for January 1, 2001. A new docket (RE-00000C-00-0275) has been established for this purpose.

Attached to this letter is a list of issues that Staff has identified for possible rule revisions. Please review the list and provide comments no later than **May 15, 2000**. If you want to propose an additional minor rule revision, please provide the specific wording along with justification for the revision. Please file your comments with Docket Control, 1200 West Washington, Phoenix, Arizona 85007, using **Docket No. RE-00000C-00-0275**. A copy of the current Rules is attached for your convenience.

If you have any questions on this matter, please contact Barbara Keene at (602) 542-0853 or me at (602) 542-0745.

Sincerely,

Deborah R. Scott  
Director  
Utilities Division
